

A SHARED REGIONAL CALL

A vision & mission for Latin America

One spiritual family, moving together to establish lasting
expressions of the Kingdom of God.

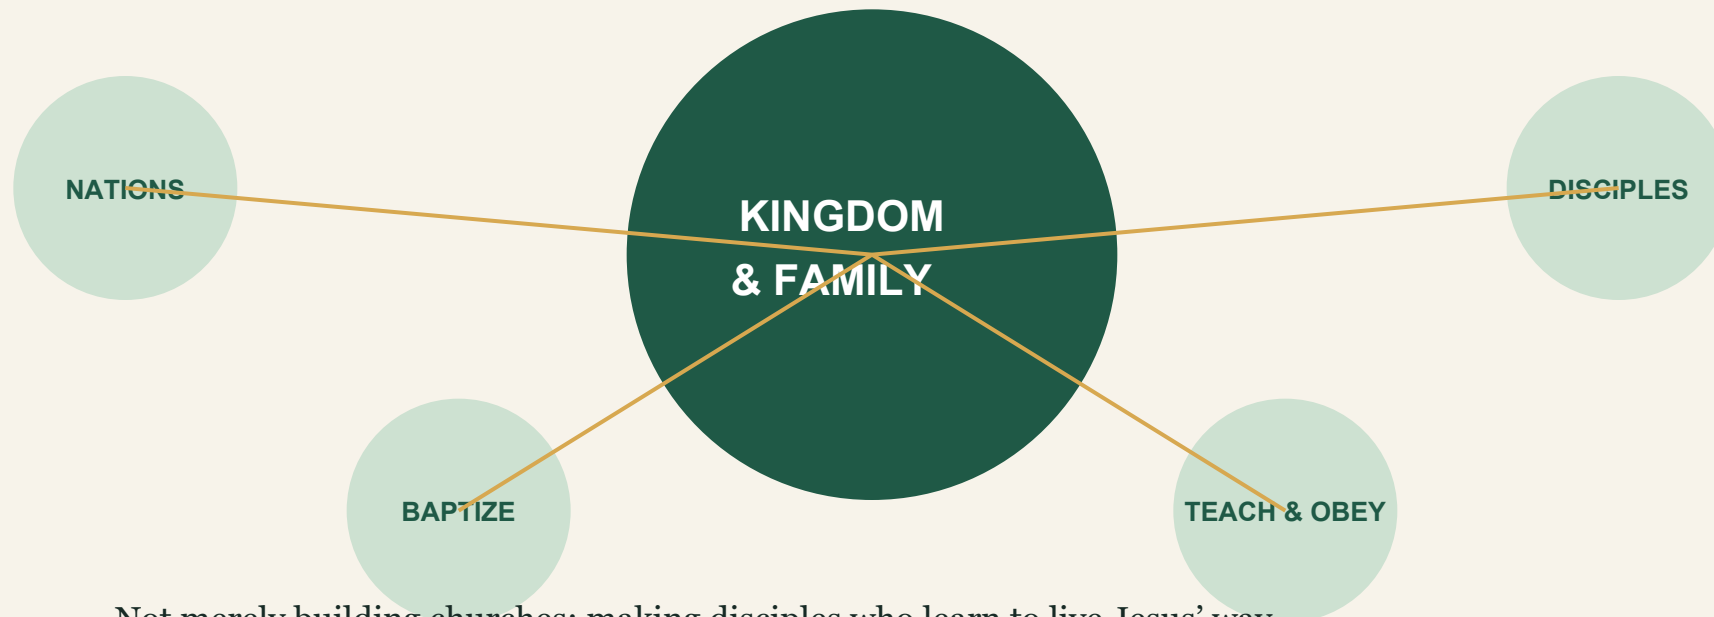

“Go and make disciples of all nations.”

MATTHEW 28:18–20

The vision is bigger than a visit.

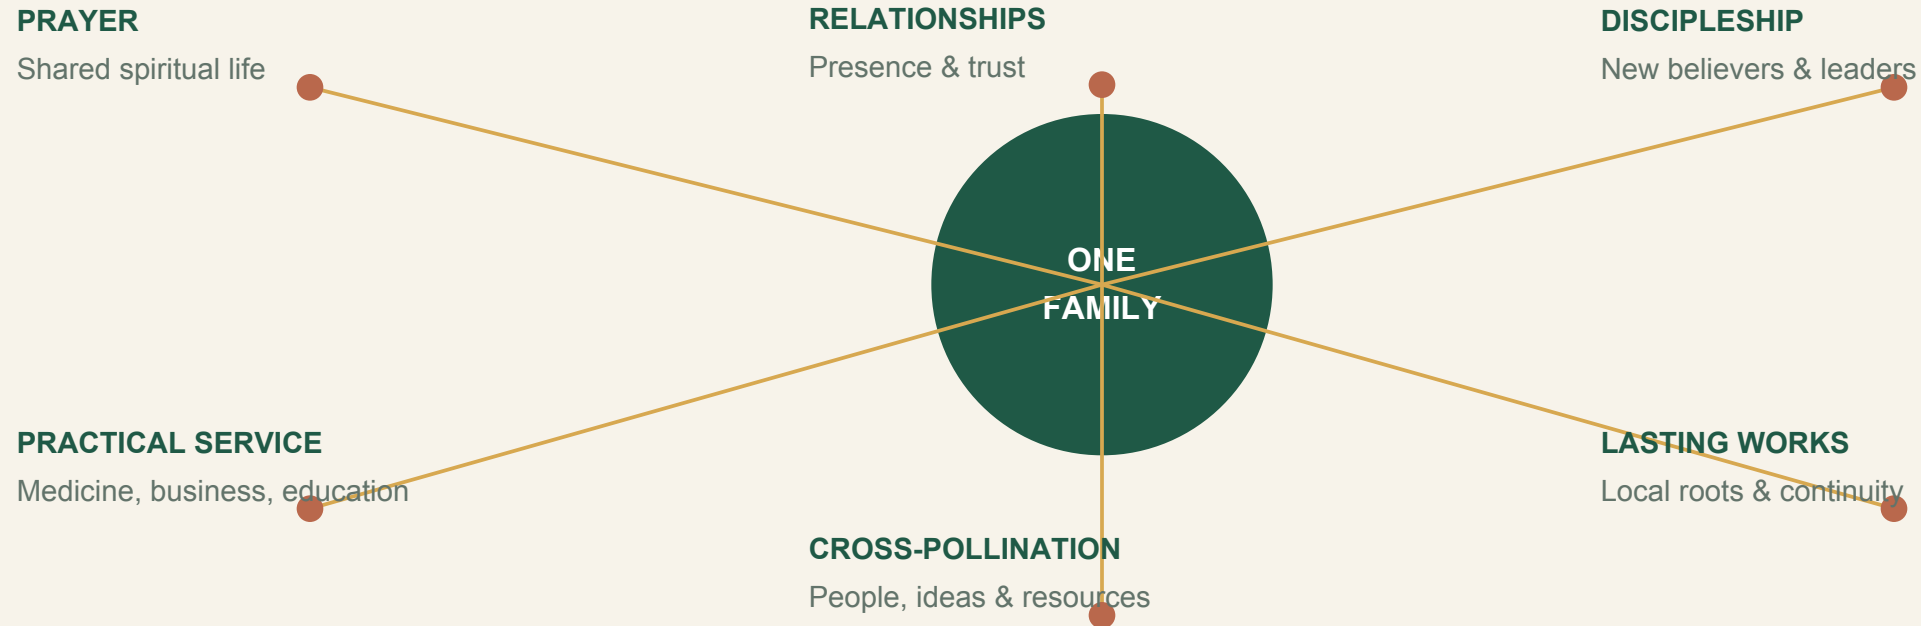

Rooted in Jesus' commission, the regional vision is to see God's Kingdom and family established among every ethnos—every nation, people, and people group.

Not merely building churches: making disciples who learn to live Jesus' way.

How the family carries the vision

A cohesive regional company works deliberately together so that the Kingdom takes root—and continues to grow.

From “my ministry” to “our family”

The mandate is shared. Each person has an assignment; each region has responsibility. We do not wait for someone else to carry what we can faithfully do together.

Transition begins before it is urgent.

Wisdom is passed on while experienced leaders can still coach and emerging leaders can grow into their place.

Don't only visit. Establish.

Evangelism opens the door. The mission is to build relationships and works that remain after the first visit.
